Boy's Day is a new, unofficial holiday celebrated in Poland on September 30, mainly among the youth. It is the equivalent of Polish Women's Day. Girls wish boys all the best and give them small gifts to express their sympathy. In Poland, it is a holiday a little more popular than Men's Day, which is surely a popularization of gender equality. Thanks to Boy's Day girls gain an excuse to show their sympathy for the boys.

On the occasion of the Day - we wish you all:

- a girlfriend - only the greatest one
- cookies - only the sweetest ones
- cars - only the fastest ones
- parties - only the funniest ones

...and adventures - only the most interesting ones!

Autumn is coming!

*When the trees their
summer splendor
Change to raiment red and gold
When the summer moon
turns mellow
And the nights are getting
cold
When the squirrels
hide their acorns
And the woodchucks disappear
Then we know that it is autumn
Loveliest season of the year.*

Smile – it works wonders. If you smile, you don't only attract boys but also improve everybody's mood (yours included).

Look straight into his eyes – this way you are considered to be honest and open-minded.

Be careful with your language – boys are sensitive to curses (especially girls' ones).

Pay attention to your appearance – boys are visual creatures.

Get interested in his hobby – take him by surprise by demonstrating your knowledge and interest in topics so important to him.

Behind the window it is grey and cloudy. Getting up in the morning becomes horrible. You're sad. You'd like to stay in bed or better-sleep all day. Then the next day and the next day. It can't be like that. We will help you survive this not really nice time!

Five steps: How to fight autumn depression:

- 1. You should surround yourself with warm colours like red, orange or yellow. Buy e.g. an orange belt or a red handbag and feel better!*
- 2. Go out. Visit a park, take the dog for a walk, run, meet friends outside. Sometimes a simple walk can be enough to improve your mood immediately.*
- 3. Nothing works better than a big, warm hug!*
- 4. Eat a lot of fruit and vegetables. They aren't just delicious, they're really healthy. They provide you with all vitamins you need.*
- 5. Do not forget about warm clothes and smile! ☺*
